MEMORANDUM FOR : Chief, IEG

SUBJECT : Cost Estimate for Installation [redacted]

25X1A

1. The estimated cost for the installation [redacted] which your group is to include in your FY-69 budget was estimated at [redacted]. This estimate is based on preliminary drawings furnished by engineers of the firm [redacted].

25X1A

25X1A

25X1A

2. During the first phase of the construction [redacted] was scheduled to be installed on the second floor in the old TID clean room area. As the construction [redacted] progressed, the weight was increased, the utilities became more sophisticated and the vibration requirements more critical, making it impossible to install this equipment on the second floor.

25X1A

25X1A

3. Suitable space was located on the first floor in the area presently occupied by the GSA shop. The Logistics Branch successfully negotiated with GSA for a portion of their space which would house [redacted]. Based on this location, the configuration, and environmental conditions necessary to house [redacted] extensive renovations would be necessary thus raising the cost [redacted].
